Sir:

In accordance with the provisions of 37 C.F.R. §§1.56, 1.97, and 1.98, Applicants wish to bring the references, listed on the attached form PTO-1449 and enclosed herewith, to the attention of the Examiner. Most of the references were cited during prosecution of the German priority application 20 2004 005 963 in a search report dated 9 DEC. 2004 and/or in the International Search Report mailed 27 JUL. 2005. Copies are these search reports are furnished herewith. For the convenience of the PTO, to the extent known, English-language equivalents are also furnished. Since no English equivalent of the KALLEE DE-199 57 014, assigned Würth Elektronik, could be found, a contact datasheet for their US Regional sales offices is enclosed. This explanation suffices to make the relevance of the references apparent. Therefore, **this submission complies with MPEP § 609.**

REMARKS

No representation is made that more pertinent, although presently unknown, art does not exist. It is anticipated that the Examiner will conduct a thorough search of the prior art and will carefully consider the documents submitted herewith.

The Examiner is respectfully requested to **return an initialled copy** of form PTO-1449, to confirm that the references have been considered.

Early examination and allowance of the present application are respectfully solicited. No fee is believed required; if any is required, it may be charged to Deposit Account No. 23-0442.

Respectfully submitted,

/Milton M. Oliver/
